OFFICE ORDER

This is to inform all Regional Office of Economic Affairs (RoEA) that issuance of new bar license to hotel and tourist class restaurant shall be done by the respective RoEA without having to seek approval of the Department of Cottage and Small Industry with immediate effect. However, the RoEA shall carry out due diligence as per the prescribed checklist for issuance of bar license issued by the Department. The RoEA shall also ensure that past records on the bar license issued to the applicant/business establishment are examined, so that the same applicant/business establishment does not avail double bar licenses on account of ownership/name transfer of the business establishment.

This is being issued to enhance efficiency in public service delivery. The RoEAs are required to submit a monthly report on the new bar licenses issued to the Department.
