Section 4: Definition of Success Indicators

Success Indicator	Description	Data Collection Methodology	Data Collection Frequency	Data Source
Number of intellectual property (IP) registered	Actual number of IP registered as follows: TM- 500 PT- 3 CR- 5	Records from DoIP and WIPO	Annually	DOIP, MoEA
Consumer grievances redressed	Mediation and conciliation facilitated within turn around time	Administrative record, OCP	Annually	OCP, MoEA
Protection of consumers from service providers ensured	Financial sector to be reviewed for protection of consumer from service providers.	Administrative record,	Annually	OCP
Number of new dispute settlement committee established	Number of new dispute settlement committees setup in the Districts.	Administrative record	Annually	OCP
Number of Thromdue in which review of economic interest of consumer is conducted	Conduct review and research to protect economic interest of consumers. The review will cover packaging, labelling, weights and measurement and price tag.	Administrative record	Annually	OCP
Revenue generated from IP registration services in million nu.	This SI will be measured based on the fees collected in terms of Ngultrum and CHF (Swiss Franc) from IP registration services.	Based on the revenue report generated by RMA and RTIO	Annually	DOIP, MoEA and RMA
FDI equity inflow from Non hydro related FDI	Actual FDI equity inflow for the particular year.	Administrative record, FDI division, DoI, MoEA	Annually	FDI Division, MoEA
Number of new non hydro FDI projects approved	Number of non hydro FDI projects approved	Administrative Record, FDI, DOI, MoEA	Annually	FDI Division, DOI, MoEA
Number of Micro Trade Registration Certificate, Retail and Wholesale Trade Licenses issued	Number of new micro trade registration certificates, retail and wholesale trade licenses issued by the Ministry	Consolidate license data from RTIO and G2C data base	Annually	DOT, MoEA and G2C office
Number of CSIs Developed and operational	Number of services licenses provided. Licenses issued shall be	Collect from RTIO's biannually.	Annually	CSI report and CSI Data

	proxy for the number of CSIs operational			compiled from Regional Trade and Industry Offices
Number of new Non hydro medium and large scale domestic industries approved	Number of new Non hydro medium and large scale domestic industries approved	Administrative record, DoI	Annually	DOI, MoEA
Number of jobs created in mining sector	Number of jobs created in Mining sector. This indicator does not measure new job creation. Rather, it will consider total number of employment generated.	Administrative record	Annually	DGM, MoEA
Number of jobs created in hydropower construction	Total number of Bhutanese employed during 2018-19. 2653 is projection of Bhutanese that would be employed in Puna-I, II, Mangdechhu, Nikachhu and Kholongchhu HEPs. However, Kholongchhu HEP will only start its construction after the signing of Concession Agreement.	Administrative Record	Annually	DHPS, MoEA
Number of jobs created in Medium and Large Industries	The jobs created is inclusive of both service and manufacturing industries but those activities covered by other sectors are excluded, eg- TCB tourist standard hotels, SoP, DHI owned companies etc.	Administrative Record	Annually	DoI, MoEA
Jobs created in Trading Sector	Number retail licenses issued shall be taken as proxy for number of jobs created in the trading sector. The figure provided is cumulative of the baseline 36,500. Therefore, actual new jobs created will be 41303 minus the 36,500 baseline.	Administrative record	Annually	DoT, MOEA
